

## March 2009 Newsletter

Wow, 2009 already and we are excited about everything this new year has started. Our adventures continue to take us exciting places.

We were shown what our faith in GOD could provide when His February event proved such a miraculous success. But what next? Would GOD do more now? Would David keep saying “yes”?

Through counsel of the missionary team that was brought to the Dominican Republic for GODs’ Mission, GMD Global Ministries, Inc., David continued to put the word out that he would be at the Red Cross, where the event had started, each Wednesday at 10am. The first Wednesday three of the children that had attended the first event at the Red Cross arrived to learn more from the bibles they had received free. He told them to bring friends next Wednesday and they did. This continued and more and more children came.

Here the children are looking up scripture in their new Bibles.

The girl in the center of the picture has attended each Wednesday.

The success was shared with the English speaking service of the church David and Ruth attend on Sunday afternoons. Some new attendees there ask David about the bible study and began to go to the Red Cross and immediately began assisting with the interpreting English to Spanish and Spanish to English.

Adults with back to camera: John (with arm raised), Deline and Carlande telling the children about Jesus Christ. The Wednesday Bible Study sessions are held at the Red Cross, which is located in the middle of the community.

With GODs' Saints in America continuing to provide for the needs of the mission, Sunday School books and teacher guides were sent to help David maintain correct study of GODs' Word when sharing with the children and now adults too. Yes, the Wednesday Bible study at 10am has extended in just seven weeks to be Wednesday at 10am, 11am, 12noon and for adults at 5pm.

The first Bible study group.

David with some of the group.

The children coming straight from school. Their backpacks in tow.

Deline left, attendee center and Carlande right. The children's Bible study soon had adults wanting to know more.

David with Omar, a Red Cross worker. The Red Cross has been very supportive and helped make the Bible Studies possible.

David and the brothers preparing to go to Bible Study.

	
Not all who GOD sends to listen, will hear.	Some GOD sends listen, and want to hear more

GOD has not stopped there because He now has a Saturday home Bible study starting only a few blocks from the Red Cross where the Wednesday Bible studies meet.

What next? David says use me up LORD Yes! Yes! Yes! And GODs' Mission Expands.

Q. Have You ever wanted to see how GOD works?

A. Watch this mission, GODs' Mission and its' progress as it grows from an event some said should be canceled to a soul harvest that only GOD could have directed with the " Too Old, Too Sick, Too Broke bodies of its' founders David, and his wife, Ruth.

### Ruth's Comments

As we go to the United States to regroup and get ready to return to the Dominican Republic, we will continue with our newsletters. Stories about our adventures and observations of life in Santa Domingo will be forth coming. Don't miss the upcoming article "My Honey Stinks."

### David's Comments

Know these words from GODs' book "And said unto them, **Thus it is written, and thus it behoved Christ to suffer, and to rise from the dead the third day: And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem.**" Luke 24:46-47

Why do we have missions? – Matthew 28:19 **"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world."**
